

SWANBERG MINISTRIES 2021

WHEREVER I GO, YOU ARE WITH ME EACH AND EVERY DAY!
THANK YOU FOR BELIEVING IN ME,
MY MINISTRY AND GOD'S CALLING ON MY LIFE. - DENNIS

“Always be full of JOY in the Lord. I say it again...rejoice!”
Philippians 4:4

What JOY we have experienced as our family has grown! We are thankful this Christmas season that HE has been so faithful, so good, so steadfast to hold on to us during these crazy days we have all experienced. While the blessings of God are many, I am reminded every where I travel that I have been blessed ONLY to be a blessing to others. I see

hurting pastors and wives, broken marriages, discouraged moms and dads, young adults disillusioned by the world we live in. What is the answer to so many hurts and longings that we experience everyday? First and foremost that personal relationship with the Master, Jesus Christ. But then to live in the JOY of the Lord each day

by being obedient to live that abundant JOYFUL life. That is my message and hearts desire. To share with a lost, dying, hurting world the BEST gift of all...our JOYFUL JESUS that waits to walk with us! Will you join me in carrying this message to so many who need it? I am ready to answer the JOYFUL call in **2022!**

Little notes that make it all worthwhile

Dear Dennis,

I want you to know that this is the first time in 9 months that I could really enthusiastically enjoy a belly laugh and be refreshed. My husband passed away not long ago. Thank you for helping me find my joy again.

Sincerely, Virginia

Dear Dennis,

It was a good night, wasn't it? This year's banquet brought in the most funding in our centers history! \$115K!! May God continue to bless, strengthen, and empower you to "plant shade trees" for other ministries and non-profits like ours!

Warm regards, Tracie

Dear Dennis,

Thank you, thank you, thank you for your wonderful presentation yesterday. I, along with everyone at the convention thoroughly enjoy every minute. You were, by far, the best guest speaker we've ever had in my 25 years. May God continue to bless you as you bless others with you unique gifts. Thank you again....

TAKING THE NAME OF JESUS TO OUR WORLD

How far is it to Bethlehem?

ON December 22, 2020 the Christmas Star appeared for the 1st time in 800 years. Jupiter and Saturn came into alignment in a very special way on that Monday evening. They were so close that it looks like they were fused together into a single point of light. It was the Christmas Star. We were all ready to see it for ourselves. I found out the time, gathered the family and we headed out at dusk. As we were setting up our lawn chairs on the golf course behind our house, I looked around and many of my neighbors were coming outside as well...with chairs and binoculars and ready to witness something so rare and unique. We conversed back and forth, waved and talked. But mostly, we looked up.

We didn't get a great "Christmas Star" citing (probably because of the many lights around our little town) but I did see something unusual that night. We all were looking up at the same thing. Wanting to experience the beauty and rarity of this celestial phenomenon. Then, when it was over, we looked down. And we went inside.

I pondered this scene over and over. We only looked **UP** for a brief moment. Then, we went back to looking **DOWN**. Down at our phones. Down at our computers. Down at all the "stuff" we must do. Down on our circumstances. Maybe even down on others.

I want to look up! I encourage you this Christmas season to look up! Even if we don't see HIS STAR shining again in the sky in our lifetime, we can look upward to HIM...in praise and in worship, everyday! It isn't that far to that Bethlehem manager when HIS star leads us. Let us find the star again. Follow obediently to that place where Christ became a little baby. Open your heart and let the Christmas Star shine in! Dennis
